## Why test your Well Water?

Nearly 1 in 5 wells in NH  
have unhealthy levels of arsenic.

Dr. Lucio Barinelli, Ph.D , from New Hampshire  
Department of Health and Human Services;  
Pierce Rigrod, NH Dept of Environmental Services;  
and Laurie Reynolds Rardin, M.E.S., from  
Dartmouth College will come to explain:

the possible natural contaminates,  
the potential health issues,  
how to test well water,  
and

general treatment technologies used for removing  
those contaminants.

J. A. Tarbell Library  
136 Forest Rd, Lyndeborough, NH 03082
